2. The tract register in Report No. WD 1141 to War Assets Administration dated 6-19-47 included Tract P-6 which was covered by Permit No. A 3185 dated 7-2-43 from The City of Seattle for the construction of water main on Ohio Avenue between West Oregon and West Hudson Streets. A notation was made in the files of the City Engineer's Office that Permit No. A 3185 was cancelled 8-5-43 as plans were changed and water main was installed in Denver Avenue under Permit No. A 32614. For this reason Tract P-6 is not depicted on the map prepared for preliminary audit.

3. The lease covering Tracts A100-1 and A100-2 recites an acreage of 3.60 acres; however, the area has been recomputed and is shown on the Project Map as 3.26 acres.
